### STEM Family Day success

Thank you to all our families from Key Stage 2 who attended the STEM Family Fun Day at Wednesfield High.

Families had the chance to design and race their own car using Knex. The cars were then judged on their affordability and the distance they could travel.

The final joint winners came from our very own school!!

Congratulations to **Matthew Tranter in Year 4** and **Gabby Malik in Year 3**.

Matthew, along with his Grandpa designed a car which travelled a tremendous 4m 10 using only 260 pieces of Knex!

Gabby designed a car with her brother and gained 230 credits— the most cost effective of the day!

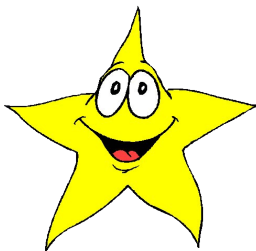

Well done to the winners and all families that took part!
