Ellis Greatrex—Team GB visits Perry Hall Primary

Last week, Perry Hall had the amazing opportunity to be visited by a Team GB athlete to give a growth mind set assembly and carry out individual workshops to our children in years 1 – 6.

The day began with a whole school assembly where Ellis Greatrex, who as a team GB 400m sprinter, has won Bronze and Silver medals in his respective event., introduced himself to the children, spoke about his career and his achievements.

Later that day, the children were given a coaching session which was a tailored circuit. The children performed warm up activities such as start jumps, heel flicks, high knees and criss-cross legs. The children were immersed in the lifestyle of an athlete and how their training and sessions play out.

Overall, the children loved the opportunity. They discussed the hard work, endeavour and motivation it takes to make it to the highest level of competitive athletics and sport.

This was also part of a sports fundraiser and Perry Hall pupils raised a total of **£1950**. A proportion of this money will be given to the school for sports equipment.

Well done to everyone that took part in this great event.
