

## Perry Hall News!

Friday 11th December

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### Relationships and Sex Education (RSE) Policy Consultation...

As you know, we are in the middle of our RSE policy consultation period, which was launched on Tuesday.

If you haven't already, please use the link (<https://www.perryhall.co.uk/relationship-education-policy-parent-consultation/>) to view the policy document and a range of related information. This consultation is planned to run until Friday 18<sup>th</sup> December 2020.

Your feedback is invaluable to us. Please email any feedback to [perryhallprimaryschool@wolverhampton.gov.uk](mailto:perryhallprimaryschool@wolverhampton.gov.uk).

The school will review any feedback and deal with any questions before we publish our final policy.

### Important Dates (Any dates changes have been highlighted in red)

- **14.12.20**– Y5 children can return back into school.
- **15.12.20**– Rec to Year 6– Flu Vaccinations (Y1 vaccinations are being rearranged for January).

Executive Headteacher: Miss R Kohli

### Updates and the last week of term...

It has been great to have Reception and Year 3 back in school today and see the children in person. We look forward to welcoming back Year 5 on Monday and Year 1 on Thursday. To confirm, Nursery children will not be joining us back in school until after the Christmas holidays on Tuesday 5th January.

Well done to all of the children and their families for their tremendous response to our home learning efforts– whether that is through live sessions and follow up assignments/activities or through the completion of work packs. With a large proportion of our school community working from home, it has been a strange week for all of us. Although we have really missed seeing the children in person, it has been fantastic to see so many of them 'on screen'.

Thank you for your support with the children's home learning– you are doing a fantastic job and we are very proud of the effort everyone is putting in to ensure that children's learning can continue at home during this difficult time. The children of Perry Hall continue to amaze us with the resilience and determination they show to ensure that the current situation doesn't hinder their progress.

We also continue to thank you for all of your supportive messages that we have continued to receive about how we are dealing with the current situation and how much you are appreciating the remote learning lessons.

As you are now aware, in line with government advice, Perry Hall is finishing for the Christmas holidays at the end of Thursday 17th December instead of Friday 18th December. This effects a number of dates/events/activities that are due to take place during the last week of term. Please read the important dates on the back page very carefully, taking particular note of the things highlighted in red.

As always, if anyone develops any symptoms over the weekend or gets tested/ tests positive, please email the school as soon as possible. This means that we can take prompt action, where needed. *Take care everyone and keep safe.*

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
