

10th September 2021

Reception- Photo Consent Form- Wednesfield Magazine

Wednesfield Magazine are planning on creating their annual 'First Day at School' article, which they have done for the past seven years. Each year, this article celebrates the start of full time schooling for reception children across Wednesfield schools and includes a photograph of each reception class.

If you give permission for a photo of your child to be used within this article, in the Wednesfield Magazine, please email in the following permission statement to your year group email account: ph.receptionhomelearning@perryhallmat.co.uk by the end of the day on Tuesday 14th September.

I give permission for my child, _____, to be photographed for use within an article in the Wednesfield Magazine.

If permission is not emailed in, then unfortunately your child will not be able to be a part of the photograph.

The photograph will be taken on Friday 17th September in school and we will inform you of when the article is planned to published.

Thank you for your continued support,

Mrs C Gibbins

Head of School
