# Perry Hall News!

Friday 10th September 2021

**A Place to Grow**

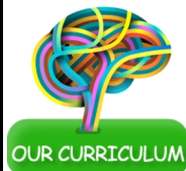

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### Welcome back!

We have been thrilled to welcome our (existing and new) children back into Perry Hall for the 2021-2022 School Year! The whole staff team have been busily preparing for their arrival. Our hallways, playgrounds and classrooms have been lonely over the summer break without the children's energy and excitement that Perry Hall pupils always bring to our school each day. We have all loved welcoming our children back and also hearing all about their summer adventures.

Children, across school, have settled very quickly into their new routines in their new classrooms. We are very proud of them all and hope that their effort and enthusiasm continues throughout the year.

Earlier this week, we messaged out a link to a document for each year group which outlines a range of useful information and reminders for parents/carers regarding your child's year group. Please note, homework will start from next week. This document also provides you with an overview of your child's Autumn Term curriculum for this year; please take time to read this to gain an understanding of the knowledge and skills that your child will gain throughout this coming term.

### After School Clubs—Autumn Term 2021

Our letter outlining our after school enrichment club offer for the Autumn Term came out to you earlier this week.

It is great to see lots of children signing up to these clubs—an opportunity to engage in activities of interest and develop their skills.

If you missed this letter, please use the link below. All clubs need to be booked by Monday 13th September. <https://www.perryhall.co.uk/wp-content/uploads/2021/09/After-School-Clubs-Autumn-Term-2021.pdf>

Please take note of club end times, collection points and payment information.

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning .
