## Perry Hall's Festival of Light

We have had a wonderful week at Perry Hall celebrating our Festival of Light. Early Years have concentrated on retelling the story of Rama and Sita and creating firework pictures.

Year One have spent the week learning Bhangra dances and have put them together to create their own Bhangra dance performance. Year Two have focussed on traditional Diwali art and have created rangoli patterns, with dyed coconut, and diva lamps.

Food has been the main focus for Year Four and Year Six this week, where both year groups have been sampling and evaluating Diwali inspired foods. Year Four used their findings from this to create their own Diwali menu. Following their sampling, Year Six created their own sweet treat and then designed their own version of this.

In Year Three, children have looked at Diwali celebration clothing, identifying the colours, designs and materials and recording this in their sketch books. They have then designed their own outfit for celebrating Diwali.

Thank you to everyone who joined in with our Diwali celebrations and we wish you and your families a Happy Diwali.

We have celebrated Bonfire Night by retelling the history of Guy Fawkes and how that applies today. We have also looked at Bonfire Night and how to stay safe over the weekend.

We hope, however you celebrate Bonfire Night, you have a wonderful time and stay safe.

Stay safe and have fun this bonfire night!

### Are you this week's star of the week?
