

Covid Updates.

As you are probably already aware, from Tuesday, 11th January, in England, people who receive positive lateral flow device (LFD) test results for coronavirus (COVID-19) are required to self-isolate immediately and won't be required to take a confirmatory PCR test. This is a temporary measure while COVID-19 rates remain high across the UK. Whilst levels of COVID-19 are high, the vast majority of people with positive LFD results can be confident that they have COVID-19. Lateral flow tests are taken by people who do not have COVID-19 symptoms.

Anyone who develops 1 of the 3 main COVID-19 symptoms should stay at home and self-isolate and take a PCR test. You must self-isolate if you get a positive test result, even if you have had a recent negative lateral flow test – these rules have not changed.

We are awaiting the release of the full guidance regarding the further reduction of isolation periods. The information we are aware of so far can be read here: <https://www.gov.uk/government/news/self-isolation-for-those-with-covid-19-can-end-after-five-full-days-following-two-negative-lfd-tests>

School Menu Change: Thursday 20th January.

Perry Hall News!

Friday 14th January 2022

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Spring Term Curriculum Overviews and Home Learning Grids

This week, you will have received your child's termly curriculum newsletter providing you with an overview of your child's Spring Term topic and the key knowledge and skills that they will cover in each subject area to enable you to further support your child from home should you wish. This document will also provide you with a reminder of key year group information. A copy of your child's home learning grid has also been sent to you for you to work through at home throughout the term. Please send any completed work into school or into your child's year group email address. Year group staff would love to see your work.

Thank you for your continued support.

Mrs Gibbins—Head of School.

Morning/After School Booster/Intervention Groups

As some of you are aware, Years 1– 6 are running booster/intervention groups before/after school. These are for a variety of subjects for a variety of children. Do not panic that your child has been placed into a booster group, there are many reasons as to why children are identified. Please chat to your child's year group staff if you want more details about any group your child has been placed into.

Year 6 Residential to Laches Wood

Next week, the majority of our Year 6 children are attending their week long residential to Laches Wood. This will provide them with an array of fantastic opportunities and memories—all of the staff hope that the children have the most fantastic time!

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.

Two's Provision AM		Two's Provision PM	
Nursery AM Omar F		Nursery PM Jayden H	
RCR Blossom H		REP Samaira K
