

### Children's Mental Health Week 2022

As you are aware, next week is Children's Mental Health Week 2022. This year's theme is 'Growing Together'.

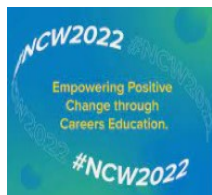

Throughout the week, we will be acknowledging the fact that we grow physically and intellectually. We will also discover and raise awareness of how we can also grow emotionally— understanding how challenges and setbacks can help us to grow and adapt and how trying new things can help us to move beyond our comfort zone into a new realm of possibility and potential.

To mark the end of Children's Mental Health Week 2022, on Friday 11<sup>th</sup> February, we are inviting the children to donate anywhere between 50p - £1 to take part in 'Dress to Express' day. The idea is simple – your child needs to use colour to express themselves by wearing a colourful outfit or their favourite colour. By making a donation, you will be supporting the Place2Be charity to help them to continue to raise awareness of the importance of mental health and wellbeing in a fun and positive way.

### Careers Week 2022 - 7th—11th March

**We need your help!** Do you have a job or career you are willing to speak to our children about? Can you explain the path you took to get you there? The qualifications and skills needed to do it? If so, please get in touch with Mrs Holdcroft via the school email or phone number asap. *A huge thank you to those parents/carers who have already contacted us.*

### NSPCC Number Day

We have had a fantastic morning in school today celebrating NSPCC Number Day. Pupils across school have been celebrating the magic of maths through the story of Alice in Wonderland. They have taken part in exciting mathematical activities during our 'Mad Hatter's Number Party'. Thank you to all of the families who supported their child to *Dress up for Digits* and made a monetary donation for the NSPCC—we will reveal the total raised in next week's newsletter.

Please find below a range of photos from the morning...

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
