

<p>Please select one piece of homework to be completed each week.</p>	<p>Year 6 Summer Term 2022 Changes</p>	<p>Please hand in your homework on Thursdays. Email to ph.y6homelearning@perryhallmat.co.uk</p>
<p style="text-align: center;">Music</p> <p>Can you identify a current piece of music that has developed or evolved from a previous chart hit? For example, Dua Lipa reinvented Olivia Newton-John's Physical from the 1980s.</p> 	<p style="text-align: center;">RE</p> <p>Consider this question. <i>What does it mean to have faith?</i> You can present your ideas through a presentation, a drawing or however you feel appropriate.</p> 	<p style="text-align: center;">English</p> <p>Write a letter of advice to someone who is due to move to secondary school in September. Include information on how to be a good friend, how to make new friends and what to do if something is making you feel unhappy.</p> 
<p style="text-align: center;">History</p> <p>Create your family tree. Be as creative as you like!</p> <p>Have you inherited any qualities from your family members? How far back do these go?</p> 	<p style="text-align: center;">Art</p> <p>Divide an A4 sheet of paper into four and sketch an image of a tree in each of the four seasons to show how it transitions over time. Can you find an artist who used trees in their art? Can you use their work as inspiration for your own?</p> 	<p style="text-align: center;">Geography</p> <p>Plot your journey to your new school by drawing a map. Your map must include a key that shows roads, canals/rivers, pathways, pedestrian crossings, roundabouts, bus stops and local facilities such as shops and places of worship.</p> 
<p style="text-align: center;">History</p> <p>Research and present (however you like) facts about the local history of:</p> <p><i>Ashmore Park's Medieval settlement</i> or <i>St Thomas' Church fire and rebuild</i> or <i>The Lancaster Bomber crash at Perry Hall Park</i> or <i>Perry Hall Primary School</i></p> <p>How are these different now to what they once were?</p>	<p style="text-align: center;">Science - Light</p> <p>Draw an outline of a family member's face using light and shadow.</p> <p>Steps</p> <ol style="list-style-type: none"> Put the chair against a wall and ask a family member to sit in it sideways. Hang the paper on the wall behind your family member's head. Set up a torch so that it shines on the paper to make a shadow. Use a pencil to trace the outline of your family member's head. <p>Can you change the size or shape of your family members' portrait by moving your torch? What pattern do you notice?</p> 	<p style="text-align: center;">Science – Living things and their habitats</p> <p>Where might you find microorganisms in your home? Which ones can you find which are useful?</p> <p>List all the living things you can find in your home or see from your window.</p> <p>Try classifying these in to a range of groups (e.g. vertebrates, invertebrates, mammals, reptiles, fish, birds, insects, amphibians, reptiles).</p> <p>Can you create a classification key to help identify these animals?</p>
