As a deposit of £10 has already been paid, a second instalment of **£45** is required by **17th October 2022**. This will leave a final instalment of **£60** required by the end of January 2023. This is to be paid via ParentPay.

If you have not expressed an interest in the residential visit, but your child now does wish to attend, please contact the school office.

We are incredibly **excited to be able to offer this amazing opportunity for your child** and the Year 2 Team are **thoroughly looking forward to making lifelong memories with them at Kingswood**. If you do have any questions that you wish to discuss, please arrange a further conversation with us via the front office staff.

A presentation from Kingswood has been uploaded to the school website for your information. Please use the following link to access this: <https://www.perryhall.co.uk/class-information-2022-2023/>

Those children who do not attend the Kingswood residential will participate in a school-based project which will involve a planning, investigation and presentation element. An example of a previous project involved children investigating minibeasts, researching their habitats, designing and making minibeast homes and presenting their findings to the class.

Thank you for your continued support.

Yours sincerely,

Mrs C. Gibbins
Head of School
