### City Lifestyle Survey

Dear Parents/Carers,

Wolverhampton are currently running a survey for all residents aged 16+. The aim is to explore factors which affect resident's lifestyles. For every anonymous response they receive they are pledging £2.00 to schools, in the form of vouchers to go towards sports or classroom equipment. Information from this survey will be used by the Council to plan future service provision across the city with the aim of providing better support for the health and wellbeing of Wolverhampton residents.

The survey is anonymous and does not ask for your name or any contact details. It covers a range of subjects, including access to GPs, physical activity levels and community safety. At the end of the survey, you will be able to select Perry Hall Primary School from a drop-down list to enable the £2 pledge. It can be expected to take less than 10 minutes to complete and can be accessed via this web address:

We would really appreciate it if you could spend a few minutes completing the survey. The closing date is Tuesday 31<sup>st</sup> January.

Thank you for your continued support.

Yours sincerely

Mrs C Gibbins

Head of School
