Dear parents/carers,

### Concerns Regarding Vandalism at Perry Hall Primary School

I am writing to express my deep concern regarding the recent repeated acts of vandalism that have occurred over the course of the last few weekends, during the evenings, at Perry Hall Primary School.

Extensive damage to our school property has been caused and the time it takes to clear up and make the environment safe for our pupils to use again impacts directly on teaching time and spaces that are available for our pupils to use. The consequences of these incidents also extend beyond property damage as during the incidents, our children's equipment has been maliciously damaged, causing great distress and disappointment among both our staff and children. Please see the second page for some photos of the damage caused. The time and effort invested in creating a nurturing and engaging learning environment has been undermined by these thoughtless acts of vandalism.

I want to assure you that the authorities are aware of the situation and the police have been notified. They are actively investigating the matters. In the meantime, I urge you to remain vigilant and promptly report any suspicious or untoward activities you may witness in and around our beloved school premises. Your cooperation and involvement can play a crucial role in ensuring the safety and security of our children, staff and facilities.

We greatly appreciate your continued support and assistance in these distressing matters. The well-being and education of our pupils are of utmost importance, and we remain committed to providing a safe and conducive learning environment for them.

Thank you for your understanding and support.

Yours sincerely,

Mrs C Gibbins

Head of School.
