I've loved sports from a very young age. I've had the privilege from working at a football club to working my way up to becoming the Sports Coach at Perry Hall.

Having the opportunity to share the enjoyment and excitement sports can bring really pushes me to be the best I can be. Introducing children to new sports throughout the year and having the opportunity to take children on competitions to showcase their talents is a real pleasure for me.

My goal in every PE lesson is for children to enjoy every lesson of PE, have the chance to represent the school and achieve personal goals. I take pride in every lesson I teach from Nursery to Year 6.
