# The Curriculum

- Our curriculum is divided into subjects, recognising the identity of the disciplines we study, fostering a love for subject content that will flourish as children move through the curriculum.
- The knowledge in our curriculum is carefully chosen, sequenced in a meaningful way that enables children to progress incrementally and is highly specialised.
- Parents and carers will receive a termly curriculum newsletter at the beginning of each term. These will also be uploaded onto our school website.
- Staff work as team - planning together, constantly sharing, so the whole team are aware of all of the children.
- Whole school long term plans can also be found on the website.
- All trips will need to be paid for in full before the trip take place. Trips will unfortunately be cancelled if sufficient funds are not collected.
- Clubs will be available to the children each term. Autumn clubs to be confirmed and a letter will be sent out when back in September.

# What is PKC?

The Primary Knowledge Curriculum is what we use to teach some of our foundation subjects (Art, Design and Technology, Geography and History) at Perry Hall.

It has been developed by The Knowledge Schools Trust and its main aim is to provide a curriculum which is:

- coherent
- well-sequenced
- knowledge-rich

**The Knowledge Schools Trust** places a knowledge-rich curriculum at the heart of its schools, **driving academic excellence** and the desire to succeed for **all children**, regardless of background.

This curriculum includes the **ambition** that we want for our children along with the **broad range of opportunities** for our children to learn about across all time periods and areas of the world.

# PKC units in Year 2

Art: Colour, shape and texture, portraits and self-portraits, landscapes and symmetry, murals and tapestries and history paintings.

DT: Mechanisms – moving pictures, Food Tech – pizzas and gingerbread, Textiles – pencil cases

History: Romans, Tudors and Powerful Voices.

Geography: Spatial Sense, British Isles and Northern Europe.

# Other curriculum areas in Year 2

Science: Animals Inc. Humans, Living Things and their Habitats, Materials and Plants.

PE: Gymnastics, Dance, Invasion Games, Net and Wall Games, Target Games and Fundamental Moves.

RE: What can we learn from stories from the Bible? Beginning to learn from Islam, Holy Places – Worship at the Church, Mandir, Mosque and Gurdwara and Questions that puzzle us.

Computing: Information Technology around us, Digital Photography, Robot Algorithms, Pictograms Digital Music and Programming Quizzes.

Music: Pulse, rhythm and pitch, playing in an orchestra, Inventing a musical story, recognising different sounds, exploring improvisation and opening night.

PSHE: Me and my relationships, Valuing differences, Keeping myself safe, Rights and responsibilities, Being my best, Growing and Changing.

# Talk for Writing

- Talk for Writing is a whole school approach to develop our children as readers, writers, speakers and listeners.
- It enables children to read and write independently for a range of purposes and a variety of audiences.
- Through fun activities that help them rehearse the tune of the language they need, followed by shared writing to show them how to craft their writing, children are helped to write in the same style.
- The approach moves from children being supported by the teacher and teaching assistants using shared writing and guided teaching towards children writing independently and creatively.

# Reading at PHPS

Reading is at the heart of all that we do. A love of reading and a rich diet of story time, rhyme and song is central to every child's learning from their very first day.

From Reception to Year 6, all children experience lively and engaging reading of high-quality texts daily. Reading is timetabled across the day through whole class reading lessons, phonics, Everyone Reading in Class (ERIC) sessions, reading to learn opportunities across the curriculum and the explicit teaching of reading skills.

Research consistently shows that engagement in reading is strongly correlated with reading performance and is a mediator of socio-economic status (OECD 2021). For this reason, at Perry Hall Primary School we strive to instil a passion for reading in every pupil from the moment they join us in either our Two's Provision or Nursery.

# Maths – KS1 and KS2

At Perry Hall, we will continue to use the concrete, pictorial, abstract (CPA) approach to support our children. As well as this, our online calculation policies will continue to be used to ensure consistency both at school and when at home.

We are now utilising White Rose maths in delivery of mathematics. We are choosing to transition away from a cyclical approach to learning and towards a block approach which breaks learning objectives down into smaller steps to deepen the understanding of our children at Perry Hall Primary School.

Our aim is for all children to think mathematically, enabling them to reason and solve problems effectively- experiencing a sense of awe and wonder as they solve a problem for the first time, discover different solutions and make links between different areas of mathematics.

### **Concrete**

Children have opportunities to use concrete (practical) objects and manipulatives to help them understand what they are doing.

### **Pictorial**

Alongside the concrete, children use pictorial representations (where they are exposed to a range of representations to help draw out mathematical structures). These representations then help children to reason and problem solve.

### **Abstract**

Both concrete and pictorial representations support children's understanding of abstract methods.

This approach contributes to children's conceptual understanding and conceptual understanding supports retention, which is our ultimate goal. Wherever possible, we try to make links to Maths across the curriculum, providing children with opportunities to consolidate and enhance their maths skills. Applying and developing skills across the curriculum allow children to become more confident at tackling maths in any context, particularly real life situations.

# Maths – EYFS. What is Number Mastery?

The aims of Number Mastery is to support children in gaining firm foundations in the development of a solid number sense for all children from Reception through to Year 2. The overall aim of a consistent delivery of the programme is that all children will leave KS1 fluent in calculation and confident and flexible in number.

It is a programme designed around the five big ideas in teaching for mastery.

[Mastering Number at Reception and KS1 | NCETM](#)

## What the programme supports:

- Pupils will develop and demonstrate good number sense
- Staff develop a secure understanding of how to build firm mathematical foundations
- Delivery through teaching strategies focused on developing fluency in calculation and number sense for all children
- Pupils will use appropriate manipulatives to support their understanding of mathematical structures

# Assessment

Throughout the year, we will assess your child's progress to ensure that they are working to their best possible potential.

As always, we will carry out baseline assessments in the Autumn Term to support us in addressing any gaps in pupil's knowledge and skills through the curriculum we provide.

It is expected that the vast majority of children will be working securely within their age-related band by the end of the year:

- Year 1 - Stage 1 Secure
- Year 2 - Stage 2 Secure
- Year 3 - Stage 3 Secure
- Year 4 - Stage 4 Secure
- Year 5 - Stage 5 Secure
- Year 6 - Stage 6 Secure

This year your child will also undertake end of KS1 SATs in Maths and Reading.

# Homework

Weekly homework will be set on Emile which will support the work that your child has completed during the week in class.

In addition to this, alongside the curriculum newsletter, children will be given 'flipped' learning opportunities around each curriculum area.

# Lunchtimes

<p>Mr. Boneham, our sports coach, and a member of the Senior Leadership Team are always on duty at lunchtimes and available for all children in addition to the lunchtime staff who are out on duty.</p> <p>The activities available include the Play Pod, use of the library (Reading Buddies), sports equipment, sports activities led by our sports coach plus free play supported by our Year 6 PlayPals.</p>			

# Healthy Eating

The Government states: Food served/consumed in schools and academies in England must meet the school food standards so that children have healthy, balanced diets.

The food standards state the following (*which applies across the whole school day*):

## Food:

- No confectionery, chocolate and chocolate-coated products. Desserts, cakes and biscuits are allowed at lunchtime. They must not contain any sweets.
- No more than two portions a week of food that has been deep-fried, batter-coated or breadcrumb-coated

## Drinks:

- Plain water (still or carbonated)
- Lower fat milk or lactose-free milk
- Fruit or vegetable juice
- Plain soya, rice, oat drinks or yoghurt drinks

If your child has a specific dietary need which means they are unable to adhere to this, please speak with a member of staff to discuss further. However, we do always prefer children to drink water in school.

# Free School Meals

If you think your child may be entitled to either free school meals please contact the school office or **Wolverhampton City Council** for further details.

- Although all KS1 children are entitled to universal free school meals it is important that you continue to claim for free school meals.
- Further information can be obtained from the school office or online at <http://www.wolverhampton.gov.uk/freeschoolmeals>

# Contact Details and Collection

- **Please inform us immediately if there are any changes to your child's:**
  - Contact details
  - Medical information
  - The named person for collecting your child
- **Please note - when collecting your child, all adults collecting (including the main carer) must know your child's password and also have photo ID with them. Your child will not be released without this.**
- **If someone different is collecting, please ensure the school is informed before 2.45pm.**
- Please bear with us while our staff familiarise themselves with you during the first few weeks.

# Our Open-door Policy

A Place to Grow

If you have any concerns or worries, please come and see us.

Parents can speak to the office and make an appointment to see a staff member via telephone or book in a face-to-face meeting. At the end of the day, you may be asked to step inside to speak with a member of staff.

**Can we take this opportunity to express from our Board of Governors and Trustees that we do not accept or tolerate any form abuse from any member of the public. If this occurs you will be asked to leave the premises.**

## Parent/Visitor Conduct On Site

Parents / visitors are expected to treat all staff and children in a respectful way when on our school site. Any threatening, abusive or violent behaviour against any staff member or child is taken extremely seriously. Examples of such behaviour are below:

- raised voices
- shouting at staff
- swearing
- intimidating staff
- rallying other parents to become involved in intimidating behaviour
- publically voicing unsubstantiated claims about staff, children or the Academy.
- using racist or sexist terms
- using violence
- taking alcohol or drugs on the premises
- willful damage to school property
- theft
- threats or threatening behaviour
- altercations (verbal or physical towards other parents whilst on the school site)

This list is not an exhaustive list but seeks to provide illustrations of such behaviour that is not acceptable in our school.

Anyone behaving in this way will be asked to leave the premises and the police will be called if verbal or physical harassment occurs. If necessary, action will be taken to ban anyone behaving in such a way from the school grounds.

# School Behaviour Policy

Our school behaviour policy is available on the school website.

You may also request a paper copy via the school office.

We aim to foster an environment which is rich in learning, based upon the diversity of the school. The expectations for behaviour should reflect this, inclusive of the children, parents, staff and the wider community. The Governing Body and the staff accept this principle and seek to create an environment which encourages and reinforces good behaviour.

**IT'S GOOD TO BE GREEN!**

**IT'S GOOD TO BE GREEN**

You can receive a 'Platinum Card' for going 'above and beyond' - you will receive a sticker on your bookmark, a certificate and a prize.

If you end your day on a 'Gold Card', you will receive a sticker on your bookmark.

When you have collected all of the stickers on the front of your bookmark, you will receive:

- a certificate
- a dip in the prize box.

When you have collected all of the stickers on the back of your bookmark, you will receive:

- an invite for your grown-ups to join us in a celebration assembly (when assemblies are restarted)
- a certificate and a badge.

Places on the 'Wheel of Praise' are on offer at all times for showing a good attitude and lots of effort. At the end of each day, the 'Wheel of Praise' will be spun in each classroom and the winner will receive a dip in the prize box.

**IF YOU ARE ALWAYS 'GREEN'**  
At the end of each half term, if you have managed to stay 'green' for that half term, you will receive a 'treat activity'.

# School Uniform

A Place to Grow

## Our uniform is as follows:

- cardigan/ jumper – green (cardigans/ jumpers with the school logo are available from Kids Corner but not a requirement);
- skirt / pinafore/ trousers / shorts – grey;
- blouse/ polo shirt – white;
- green school summer dresses; (optional in the summer term)
- socks – black / grey / white;
- plain black shoes must be worn; trainers are not acceptable nor open-toed sandals.

## Footwear

It is essential that children wear suitable footwear for school that allows their feet adequate room and gives proper support and ventilation. For this reason, please do not send children to school wearing fashion shoes or trainers.

## Jewellery

In order to ensure adequate safety standards, particularly in organised games and physical education, children should not wear jewellery, especially earrings while at school. Studs are allowed but must be removed or covered over for PE and games.

## Where to Buy:

**Kidscorner** - Showell Circus, WV10 9BA  
**Crested Schoolwear** Wulfrun Shopping Centre,  
Wolverhampton.

Please note: No make up, nail varnish, temporary tattoos or dyed unnatural hair colours.

# PE Kit

## Our school PE kit for this year includes:

- **Plain** T-shirt in your team colour
- Black jogging bottoms
- Plain black hoodie
- Trainers

Please – no logos or branded items of clothing as this does not uphold our uniform policy.

Children are to **come to school wearing the above PE kit on their PE days**. For information on your child's PE day please see the year group information booklet.

For health and safety reasons please remove all jewellery and ensure long hair is tied back.

It is very important that your child is in the correct PE kit and footwear for their lesson. Children will receive extra team points for this.

# Breakfast Club

# Attendance

## Absence and Illness

- If your child is ill whilst at school, we will ring you to collect your child. Please ensure we have current contact details.
- Please call the school office if you know your child will be absent and please ring each following day of the absence.
- Children will go straight to the classroom on arrival. Please make sure your child is on time as lessons start promptly. Persistent late arrival to school will be monitored.
- After school, if your child is not collected by 3.40pm, you will be called and your child may be taken to After School Club at a cost for the session.

A Place to Grow

**Attendance in school remains compulsory** and our policy on attendance, reporting children's absences and holidays in term time needs to be adhered to. **If your child is too ill to attend school, then parents must phone the school office by 9am to let us know the reason why their child is not in school— unexplained absences are recorded as “unauthorised”.** It is then your responsibility to contact school before 9am on any future days of illness, so our registers are kept up to date. If you are unable to contact the school office via phone, please email in by 9am with the reason for your child's absence:

[perryhallprimaryschool@wolverhampton.gov.uk](mailto:perryhallprimaryschool@wolverhampton.gov.uk).

# Attendance

If your child arrives at school after the gate has been closed, they will receive a late mark.

## If absent:

Once Under 95%  
letter a will be  
sent from school  
to Parents/Carers

Parents/Carers  
must contact  
school every day
