

Art.

with Miss Moore and Mrs Hallard

We love Art as it is a freedom of expression and open to interpretation of the viewer. Children are able to learn the rules and techniques of a variety of mediums (painting, drawing, sculpture, ceramics, printmaking, photography, mixed media) but then break them like an artist to create their own masterpieces inspired by famous artists, sculptors and architecture.

Mrs Hallard enjoys Art, especially creating displays around school. Miss Moore has not always considered herself to be a GOOD artist however as times gone on, she's grown to realise that you don't have to be GOOD at Art to be an artist as there's no right and wrong. It is calming, relaxing and good for the soul.

Art is not just about what you see, it is about what you are able to make others see through your eyes.
