Re: Welcome back Spring Term & Parents/Carers survey

Dear Parents/Carers,

I hope this letter finds you well and that you had a restful and enjoyable holiday with friends and loved ones.

It has been amazing to see how the children have returned and their seamless transition back into school life.

It is with great pleasure that I welcome you all back to the start of the Spring Term at Perry Hall. The team and I are excited to embark on the next chapter of your child's learning journey with us.

I am pleased to announce that all works on the fallen tree and damaged fence are well underway and we hope to have the works completed soon.

You should have already received our Spring Term curriculum newsletters, which outline the coverage, knowledge and skills that your child will be learning this term. I hope you have found these informative and helpful in supporting your child's education.

You will have also received our key dates document. Please do take the time to review this, as it will outline important events and activities relevant to your child's year group.

Finally, I would be most grateful if you could take a few moments to complete a short survey. Your feedback is invaluable in helping us to continue moving forward and polishing the areas we are doing well, as well as improving on any areas that may need attention. The survey will close at 3pm on Friday 17th January 2025.
