**Re: Red Nose Day & World Down Syndrome Day**

Dear Parents and Carers,

I hope this letter finds you well. I'm writing to you today with great excitement about an upcoming event that I know our school community will be eager to get involved in - Red Nose Day 2025!

This year marks the 40th anniversary of **Red Nose Day**, and it's a chance for us all to come together and make a real difference. Whether you're able to donate a few pounds or get fully involved, every contribution counts towards supporting incredible projects that help children, families, women, communities, and millions of lives around the world.

At Perry Hall, we're passionate about making a positive impact, and Red Nose Day is the perfect opportunity to do just that. We're encouraging all our pupils to wear something red on the Friday 21<sup>st</sup> March 2025 and make a £1.00 donation to Comic Relief and World Down Syndrome Day. This small gesture can go a long way in helping to create a fairer, prouder, and stronger world.

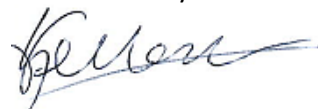

In addition, we'll also be celebrating **World Down Syndrome Day** on the same day. To show our support, we're asking everyone to wear their brightest, most mismatched socks and get their friends, colleagues, and classmates talking about Down's syndrome. By wearing #LotsOfSocks, you'll be helping to support and raise the awareness of the Down's Syndrome Association all year round.

As a school, we believe in the power of community, and Red Nose Day and World Down Syndrome Day is a wonderful way for us to come together and celebrate our shared values of compassion, generosity, and a commitment to making the world a better place.

I hope you and your family will join us in going big, giving big, and feeling good on Red Nose Day and World Down Syndrome Day 2025.

Let's make this a day to remember!

Yours sincerely

Mr. L Fellows  
Headteacher
