

Monday 3<sup>rd</sup> March 2025

Dear parents/carers,

To contribute to their Science learning this term, Year 4 will engage in a **'School of Noise' workshop** on **Thursday 20<sup>th</sup> March 2025** at school.

During this workshop, the children will be exploring music and the science of sound, whilst they will also have the opportunity to play on a variety of noise making and sculpting machines (including real fruits and vegetables!). During their time in the workshop, the children will also learn about film sound design and will learn many new facts about sound, whilst also recapping what they have already learned in our science and reading lessons!

As this workshop will be taking place during the normal school day, there is no requirement for any additional measures and the children will be eating their lunch at the normal time in the school day.

The cost of this workshop is **£4.50 per child**, which we kindly ask to be paid via ParentPay by **Monday 17<sup>th</sup> March 2025**.

Thank you for your continued support.

Mr L Fellows  
Head of school
