Re: Caterlink charges

Dear Parents and Carers,

I am writing to inform you of an upcoming change to our lunchtime meal pricing at Perry Hall. As you may be aware, our catering provider, 'Caterlink', has been responsible for providing our school meals.

I regret to inform you that we have been advised that Caterlink meal prices are set to rise by 11p per meal, effective from 1 April 2025. This means that the current paid meal cost of £2.80 will increase to £2.91. We have no choice but to pass this increase on to our families, and parent pay will be adjusted accordingly.

I understand that this news may be disappointing, and I want to assure you that we have explored all possible options to mitigate the impact on our families. However, as a school, we are bound by the contractual agreements with our catering provider, and we must implement these changes.

If you have any questions or concerns regarding this matter, please do not hesitate to contact the front office.

Yours sincerely

Mr. L Fellows
Headteacher
